

7 January 2021

Dear Parent/Carer

I hope that this letter finds you safe and well. As you are all aware, schools are now closed to the majority of children whilst we are in a national lockdown.

Since the government's announcement on Monday evening, we have been working hard to ensure that we are able to provide ongoing support and education for all children throughout this closure. The home learning offer is online for all children and it is important that you complete the survey on the website if you are in need of some support with this. We have some devices in school that we are in the process of setting up for home learning. These will be available to loan to families who are unable to access remote learning. It is vital that you complete the survey in order to allow us to target support in the most effective way. If you have not already done so, please complete the survey by 3pm on Friday 8 January 2021.

Remote learning is now available for all children via both Class Dojo and Purple Mash. Your child's teacher will ensure that there is at least three hours worth of learning for your child to complete each day and will be monitoring Class Dojo to ensure feedback and support can be offered when needed. Please ensure that your child is accessing learning via these platforms each day. If you need support connecting to either Class Dojo or Purple Mash, please contact the school office. Exercise books and pencils are available to collect from school if you require them. If you need any support or advice regarding your child's home learning, please contact their teacher through Class Dojo in the first instance, or email them via the school office. If you are unable to access remote learning at all and need a paper based pack until we are able to get you connected, please contact the school office.

If you are in receipt of Free School Meals we will be in touch shortly to confirm the process for receiving that funding over the coming weeks.

I hope that you continue to stay safe,

Yours sincerely

Angela Wood
