<u>Prevention</u>	Staff Pupils Visitors	<ol style="list-style-type: none"> 1. Follow DfE guidance in line with the 3rd National Lockdown. School is partially closed with effect from Wednesday 6 January. Only children of critical workers and vulnerable children in school for face to face teaching. All other children to receive remote learning at home. 2. Year group bubbles to remain at 50% of a class – eg 15 max. Priority given to critical workers in health and social care, and education in order to ensure numbers within school remain manageable. 3. minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school 4. <u>clean hands thoroughly more often than usual</u> 5. ensure good respiratory hygiene by promoting the ‘catch it, bin it, kill it’ approach 6. <u>introduce enhanced cleaning, including cleaning frequently touched surfaces often, using</u> 	<p>Any pupil who is presenting with COVID-19 symptoms will be held in an isolation room whilst they wait for collection. Staff supervising the child will wear approved PPE.</p> <p>Strict hygiene measures applied across the school:</p> <ul style="list-style-type: none"> • washing hands more often and for 20 seconds, using soap and water or hand sanitiser when: <ul style="list-style-type: none"> ○ Coming into school or arriving home ○ Blowing nose, sneezing or coughing ○ Visiting other places ○ Eating or handling food ○ Visiting the toilet ○ Performing medical or care routines with children after wearing latex gloves • Hand sanitiser, which must have 70% or higher alcohol content, is available to all staff and should be used. • By the door of each classroom there is a shelf with hand gel and tissues. Underneath the shelf is a lidded bin so that children can discard their used tissue in the bin and use the hand gel immediately afterwards. • Every time children and adults pass the access point they will be required to wash their hands. 		<p><u>standard products such as detergents and bleach</u></p> <p>7. <u>minimise contact between individuals and maintain social distancing wherever possible</u></p> <p>8. <u>where necessary, wear appropriate personal protective equipment (PPE)</u></p>	<ul style="list-style-type: none"> • Hand and respiratory hygiene notices are posted around the school and should be followed by all staff. • An established formal cleaning regime is in place, i.e. staff are cleaning equipment more often (keyboards, work surfaces, door handles etc.) with all staff taking responsibility for this. • Outdoor playground equipment will be cleaned frequently between uses. • Reading books will be changed twice a week to allow them to be left unused and outreach for a period of 72 hours between bubbles. • Pupils will only be permitted to bring coat, lunch box and a book bag to school. Pupils will not bring in larger rucksacks. • Year groups will be kept as separate 'bubbles' and kept apart through staggered break times and lunch times. One-way systems in place to reduce congestion and contact. • Staff should keep their distance from pupils and other staff as much as they can, ideally 2 metres but not within 1 metre. • Staff are permitted to wear face visors to teach in classrooms. • Staff are permitted to wear face visors or masks when travelling around the school. • Adaptations to the classroom to support distancing where possible, including seating pupils side by side and facing forwards.

			<ul style="list-style-type: none"> • PPE available in each class to reduce the risk of spreading the virus for higher risk injuries or pupils. These will be replenished as stock is requested from the site manager. • Any PPE that has been used must be double bagged before being disposed. • SEND pupils will need specific help and preparation for any changes to routine. Teachers and SENCO will plan to meet these needs, for example using social stories. Individual risk assessments are in place for SEND & CEV pupils. Enhanced EHCP plans remain in place. These are monitored and reviewed by JH with year group staff. 				
<u>Response to any infection</u>	Staff Pupils Parents Visitors	<p>9. <u>engage with the NHS Test and Trace process</u></p> <p>10. manage confirmed cases of coronavirus (COVID-19) amongst the school community</p> <p>11. contain any outbreak by following local health protection team advice</p>	<ul style="list-style-type: none"> • Staff members and parent/carers will be fully informed to ensure that they understand the NHS Test and Trace process and how to contact their local Public Health England health protection team through regular school communication. • School will take swift action when they become aware that someone who has attended school has tested positive for COVID-19 and will contact the local health protection team who will carry out a rapid risk assessment and provide the necessary advice. • A record of pupils and staff in each year group and any close contact that takes place between children and staff in different groups will be kept to support the local health protection team. Social Distancing in school	Pupils Staff Visitors	<ul style="list-style-type: none"> Smaller bubble sizes due to the partial lockdown therefore children seated further apart/2m apart wherever possible. Staff teams to work on a rota basis - one week in the classroom with the children teaching face to face and alternate week away from children on remote learning tasks. This may be undertaken at home. Minimise contact between individuals and maintain social distancing wherever possible The overarching principle to apply is reducing the number of contacts between children and staff. This can be achieved through keeping groups separate (in 'bubbles') and through maintaining distance between individuals. 	<ul style="list-style-type: none"> Staff working on remote learning from school will work in the empty year group classroom. Staff working in direct contact with the children will maintain a 2m distance at all times from their co-workers. PPA will be covered by the support staff in the bubble to avoid staff moving between bubbles Year groups will be kept as separate 'bubbles' and kept apart through staggered break times and lunch times. One-way systems in place to reduce congestion and contact. Staff should keep their distance from pupils and other staff as much as they can, ideally 2 metres. At lunchtimes staff must keep their distance, sit in year group bubbles and rooms with adequate space. SLT will provide additional staff seating facilities in spaces, where possible. Cleaning is recorded on sheets that are managed by the site manager and stored for record keeping. Green and red cards are on windowpanes of shared room doors to indicate whether the room is clean or needs to be cleaned before use. All staff must take responsibility for ensuring that these are used. Ensure the COSHH risk assessment for cleaning/caretaker activities has identified the correct process and PPE to be worn. Outdoor play equipment can be used but will be cleaned in between uses. Ensure pupils wash their hands afterwards. Cloths must be washed at a high temperature on site. Cleaning staff must follow strict handwashing guidance to wash hands and forearms with soap and water for at least 20 seconds. A deep clean across the school will take place when appropriate. General staff and pupil advice on limiting the spread of coronavirus in the Educational Setting

Government advice is clear PPE, including facemasks should be taken into account where employees could be put at risk. The use of such PPE does not replace or reduce the need to follow the government guidance in relation to hygiene practices

Frequently clean and disinfect objects and surfaces that are touched regularly, using your recommended cleaning products.

- Wash your hands with soap and water often – do this for at least 20 seconds.
- Use hand sanitiser gel if soap and water are not available.
- Staff and Pupils should wash their hands as soon as they get to school and when they arrive home, after they blow their nose, cough or sneeze, before they eat or handle food.
- Cover mouth and nose with a tissue or a sleeve (not hands) when you cough or sneeze.
- Put used tissues in the bin immediately and wash your hands afterwards.
- Handwashing techniques advice can be found [here](#)
