

Message from the Deputy Headteacher:

Dear Parents & Carers,

I hope you are all keeping well during this national lockdown. It has been a busy week as we have tried to celebrate well-being this week and promote the importance of online safety too. Next Tuesday, is Safer Internet Day and one way that children can get involved is by 'making a pledge' via 2simple.com/GWR to help PurpleMash with their Guinness World Record attempt. The campaign is to create #AnInternetWeTrust. More information is included in the attachment.

It has been lovely to see so much work and so many uploads on ClassDojo, PurpleMash and Tapestry. Most children are doing a sterling job with their remote learning and for this we thank you as parents/carers for your resilience and patience. The children in school have been showcasing their brilliant learning too. We have also had some great learning taking place through Third Space Maths tutoring, Rock Steady remotely and great progress made through Lexia. Well done to all of those children involved in these programmes.

As well as work, it has been pleasing to see so many of our children complete 'centuries' of sporting activities in memory of the inspirational Captain Sir Tom Moore. Thank you for this.

Mrs Wood, Mr Harfield and I have been completing some doorstep home visits in the community and it has been pleasing to see you from a safe distance. Thank you to parents and children who have attended appointments with their teachers too, I know our teachers this week enjoyed seeing you. Appointments for RSW, 1VH, 2KW, 3VH, 4EC, 5SS and 6LR are still available to book for next Thursday on School Cloud.

We have one more week before half term and hope that you will all maintain the level of commitment that has been shown so far.

Have an enjoyable and safe weekend.

Mr Newstead
Deputy Headteacher

Weekend COVID-19 Updates

If your child has a positive Covid-19 test over the weekend or develops symptoms please contact the school on office@limeacademywatergall.london or 07907 853657.

Questions of the week:

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer "nothing" for all school questions. Therefore, we are now going to provide a prompt question for each year group every week, so that you can ask your child and get them talking about their amazing learning.

	Prompt for learning question of the week
EYFS	Can you find all of the coins we have been learning about this week and order them from the smallest to largest amount?
Year 1	Can you tell two ways to stay safe online?
Year 2	Can you tell me 3 facts that you know about Africa?
Year 3	What is phishing? Where does it take place?
Year 4	How would you feel if you were surrounded by newspaper reporters like in <i>The Boy at the Back of the Class</i> ?
Year 5	What are the features of a newspaper report?
Year 6	What happened during the Holocaust?

National Online Safety

We are very pleased to be able to invite you to join the online safety platform that we use in school for teaching about online e-safety. You can sign up for a free Parent/Carer account by using this link:

<http://nationalonlinesafety.com/enrol/lime-academy-watergall>

On the National Online Safety platform you will be able to access a range of useful parental guides linked to e-safety and keeping your children safe online. There are many useful guides, tools and resources linked to the ever-growing list of apps available on mobile devices too, including Whatsapp, Tik Tok, Facebook, Instagram and online gaming. There is also a new app that you can download.

Captain Tom:

We would like to share with you some of the photos we have received of the children's centuries in honour of Captain Tom.
