Please note this is subject to change depending on the needs of the pupils which is monitored closely throughout the year.

Area of expenditure	Spend	Predicted impact	Summative impact (to be completed in September 2021)
Sports Coach	£11,500	<ul style="list-style-type: none"> • To work alongside class teachers in all year groups to develop the confidence, enthusiasm, and ability to teach PE. • To train and provide support to NQT's within the school and the teachers. • To provide lunchtime sport provision alongside school staff to ensure that children have access to participate in daily active miles. • To provide opportunities for all children to access and to participate in sports, both for enjoyment and competitively. • To provide opportunities for all children to access and to participate in sports, both for enjoyment and competitively. • Raising the standard of teaching and learning in PE through modelling lessons, team teaching and lesson observations (termly). • To provide after school football coaching. • To provide after school dance classes and training. 	<ul style="list-style-type: none"> • The sports coach has worked across all the year groups staff knowledge • Pupils' enthusiasm and confidence has been raised, which is something that we want to continue for 2021-2022 • Whole school training focused on dance and gymnastics • All children are taking part in the daily mile, this started in September 2021 due to COVID restrictions • Pupils didn't take part in competitive sports due to COVID restrictions, however we are exploring running virtual inter school competitions in 2021-2022 • A range of afterschool clubs were hosted by the

			sports coach including multi skills, dance, and football.
Swimming Lessons for Year 4 and 5	£2,380	<ul style="list-style-type: none"> The majority of children will become competent to swim at least 10m but targeting 25m which is the national expectation by the end of primary school. Teachers will be trained to deliver high-quality swimming education to our pupils in smaller groups. Travel to the swimming venue will be subsidised to enable all children to participate. 	<ul style="list-style-type: none"> There is significant number of current year 6 pupils who are still unable to swim due to the limited number of lessons they were able to have because of COVID restrictions. We are going to run intervention sessions for these pupils in 2021-2022
Sports Equipment and improvements to sport teaching spaces	£2,600	<ul style="list-style-type: none"> To engage all children in a wider variety of physical education through the purchase of additional gymnastics equipment. To purchase additional equipment- this will allow children to train for competitions. To purchase specific equipment to ensure the width and breadth of the PE curriculum. To support mental well-being through sport and events. KS2 hall floor markings to be developed to make them accurate for the teaching of indoor games. Organisation of equipment store to be improved for care of newly purchased equipment. 	<ul style="list-style-type: none"> A range of PE equipment has been purchased to enhance the PE provision in schools this includes gymnastics equipment and appropriate storage. A PE equipment survey was conducted in the outside area which handed to the Health and Safety Committee

PE led qualification through AfPE	£1,500	<ul style="list-style-type: none"> Level 5/6 – Professional Vocational Qualifications: Primary School PE Specialism and PE Subject Leadership AfPE qualification to be gained to ensure that the school, its pupils, and future pupils have access to quality- first sport. 	<ul style="list-style-type: none"> The PE lead has started the Level 6 qualification and will finish it in 2022 Next steps are to look at the assessment of sports through AfPE
School Workshops	£600	<ul style="list-style-type: none"> Children in Year 1- 6 to participate in workshops 	<ul style="list-style-type: none"> There were no children workshops due to COVID restrictions however, the staff received virtual CPD to enhance the teaching of dance

Supporting pupils' motivation and well-being through events including intra and inter school activities and competitions.	£400	<ul style="list-style-type: none"> To support mental well-being through sports events. To motivate all pupils through school visits to school from supporting individuals. To develop a competitive environment within the school. To encourage all children through the school and take part in fun, competitive events To enthuse and inspire children to participate in the range of competitive sports 	<ul style="list-style-type: none"> Mental health and wellbeing have been supported though a range of sporting interventions including during school closures wellbeing activities, PE challenges and support with anxiety.
