

Message from the Head teacher:

Dear Parents/Carers,

We have had another very busy week in school. Year 5 have had another Apple Project day this week and are working hard on developing their projects. They are looking forward to sharing these with parents in a couple of weeks.

The VIAM choir have been working hard to prepare for the concert in a couple of weeks' time. They have learned the songs and the dance moves and are looking very professional. We will share their success with you once we have taken part.

You will also see that we have finally received the report from our recent Ofsted inspection and we have shared this with you alongside this newsletter. The school has been rated as Requires Improvement however there were many positives noted during the inspection and I have shared these with you in the letter attached. I would encourage you to read the report and my letter in order to gain a clear understanding of how we are moving forward, addressing points for improvement and celebrating successes.

We are overwhelmed by the response to the sponsored read with the final amount raised being in excess of £1000! Miss Henriques is looking into how best to spend the money in order to ensure that reading across school benefits. As our library sessions are developing well now, we would like to use some of the funds to purchase a library management system to support us in keeping track of the books when they are on loan. We are also hoping to replenish our library stocks with some new titles. Thank you to all who took part in the sponsored read.

With weather improving, it is beginning to feel more like Spring around school. Please make sure your child has a water bottle in school to keep them hydrated throughout the day.

Mrs Wood
Head teacher

Attendance Congratulations

Classes with 96% and above:

2AT - 97.8%, 2KSB – 96.9%, 4CG – 96.1%,
6CH - 96% & 6SL -99.2%

Celebrating Punctuality

Lowest number of late marks:

KS1 – RHS & RNB
KS2 – 4CG & 6SL

Changing address on Arbor

Just a reminder that if you amend your address on Arbor, we will need proof of address from you in the form or a utility bill or official document with your name and full address on it. The address on Arbor is the one that any official or confidential documents would be sent to, so it is very important.

Consents on Arbor

We are currently trying to get all the consents we need up to date on Arbor, so if you could respond to these requests in the 'notices section' on your child's arbor account it would be greatly appreciated. This is so that you don't receive a phone call asking for permission every time we would like to include a picture including your child/ren in the newsletter or on our website.

World book day

On Thursday 3rd March we asked the children to come to school dressed as their favorite book character or in their pyjamas. In the newsletter last week, we confirmed the grand total raised was **£927.49**. Since then, we have had more money handed in. The new grand total **£1018.25** which is just fantastic.

Privacy Notice: Lime Trust takes the privacy of pupils/parents data very seriously, therefore we would just like to remind parents that you can view/read our privacy notices on the [Trust](#) website.

Going over and above

Alexis – 3VT	Clara – 5FR	Rebeka – 4CG
Caylum – 5FR	Oscar – 3VH	Cody – 3VT

Kieron – 1KR		

Questions of the week:

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer “nothing” for all school questions. Therefore, we are now going to provide a prompt question for each year group every week, so that you can ask your child and get them talking about their amazing learning.

	Prompt for learning question of the week
REC	Can you think of some facts about the farm animals in the story What the Ladybird heard?
Year 1	How high can you count in 2s?
Year 2	What is a mechanism?
Year 3	How can we show kindness?
Year 4	What is the job of the different teeth that we have?
Year 5	How can you use GarageBand to create different sounds?
Year 6	Explain how you would plot co-ordinates on a quadrant?

Dinner menu

Monday	Pork meat balls or Quorn balls	Cookie
	Tuna baguette	Yoghurt or fruit
	Pasta, Sweetcorn	Cheese and biscuits
Tuesday	Beef and onion pie or Quorn mince pie	Jelly and ice cream
