

Message from the Head:

Dear Parents/Carers,

Although this is the shortest term of the school year, it has certainly been a very busy one! This week has been a productive one with children coming to the end of their Spring term topics. Year 4 have completed their block of swimming lessons this week and Mr Gill, Miss Bi and Mr Medhurst are very proud of them and their hard work throughout their lessons. Well done Year 4. I have really enjoyed seeing children undertaking Easter tasks this week, making cards and sweet treats as they learn more about why Easter is celebrated within the Christian faith. I know many families will be observing Ramadan over the coming weeks. I wish you a happy and peaceful time.

As you may be aware the end of the school day was shortened for Reception and Year 1 after we reopened following the national lockdowns. This was to enable a smoother flow of parents around the playground. Now that we have relaxed the movement around site, we will also be returning to the usual timings for the end of the school day. Therefore all year groups will finish school at 3.15pm with effect from 19 April 2022.

Mid-year reports will be sent out after the Easter break to all parents and will form the basis for discussion at the next parents evenings on 27 and 28 April. You will be able to book your parents evening slot via School Cloud shortly. Please look out for the link to book your slot as I know the teachers are looking forward to meeting with parents and sharing the progress that they have seen.

I wish you all a safe and relaxing Easter break.

Questions of the week:

We are aware that sometimes it is tricky for children to talk to parents about their learning from the week or that sometimes you get the answer “nothing” for all school questions. Therefore, we are now going to provide a prompt question for each year group every week, so that you can ask your child and get them talking about their amazing learning.

	Prompt for learning question of the week
REC	<i>Can you retell the story of the Tiger who came to tea using some of the words from concept cat?</i>
Year 1	<i>Can you tell your grown-ups about your characters adventure that you wrote about?</i>
Year 2	<i>What takes longer washing your hands or eating your lunch? Can you explain why?</i>
Year 3	<i>What is a network?</i>
Year 4	<i>What was your favourite part of the 'Secrets of a Sun King'?</i>
Year 5	<i>Did 'Floodland' end the way you expected it too? Why?</i>
Year 6	<i>How do you calculate the mean?</i>

Calling all Year 2 Parents

On Thursday 21st April at 9am, the year 2 team would like to invite all Year 2 parents to a Reading Workshop with a focus on the upcoming SAT's for Year 2 pupils.

Please come and join us in the hall after you have dropped your child/ren off in the morning for us to share information on how you could support your child at home.
