

Message from the Deputy Head Teacher:

Dear Parents and Carers,

The summer break is nearly upon us!

Our pupils have had a very busy week. On Wednesday piano and drama assemblies took place for pupils to showcase what they have been learning through our extended curriculum offer. On Thursday, some of our Year 5 & 6 pupils participated enthusiastically in a maths competition and did very well against other schools in Peterborough, well done to you all!

Year 6 have begun some of their end of year celebrations today with a water fight this afternoon! Much fun was had by all! We are looking forward to the Leavers assembly on Tuesday although I can't promise that there will be many dry eyes in the hall (parents, children and their teachers!) as we wish them well as they embark on the next part of their learning journey.

Thank you to all the parents who have attended the positive parenting programme with myself and Mrs Collins over the past 10 weeks. You have been absolutely brilliant and we couldn't have asked for a better first group! Keep a look out for dates next term for our second cohort.

The weather on Monday and Tuesday is forecasted to be exceptionally hot and sunny with temperatures likely be over 35 degrees Celsius. A plan has been put in place to mitigate the risks of the heatwave and ensure that our pupils and staff remain safe. All children can come into school on Monday and Tuesday in cool, loose fitting clothing. Please do not allow your child to come into school with crop tops or flip flops! As always, please remind children to come into school with hats and sun cream applied. Please be reminded that children will be dismissed at 1:30pm on Tuesday. We wish all our children an enjoyable last couple of days with their friends and current teachers before some much deserved rest and family time.

Have a lovely, safe weekend.

Mr Harfield

Attendance Congratulations

Classes with 96% and above:

What a
fantastic

Henry - YR		

Hot Weather Warning

On Monday and Tuesday we are forecast to have excessive heat. Children should attend school on Monday and Tuesday in loose fitting, light coloured clothing that will help them to stay cool. Children are not expected to wear school uniform on Monday and Tuesday.

Please ensure your child brings a hat and a water bottle to school.

Hot weather measures will remain in place in school – no outdoor activity, water bottles available on desks at all times, blinds closed to reduce heat in classrooms, windows and (where possible) doors open to allow circulation of air (unless the outside air is warmer than inside).

Privacy Notice: Lime Trust takes the privacy of pupils/parents data very seriously, therefore we would just like to remind parents that you can view/read our privacy notices on the [Trust](#) website.

Peanuts

Please ensure that you do not send anything in to school that contains peanuts. Several members of our whole school community have a serious allergy to peanuts. In order to ensure their safety, our school is a peanut free site. Thank you.

Bretton Festival – Choir Performance

Our school choir have been practicing hard, preparing to sing at the Bretton Festival on Saturday.

Our time performance time is 1.10pm to 1.20pm. Those children taking part need to arrive for 12.45pm by the arena area. Children will need collecting once they have performed.

Due to the predicted high temperatures for Saturday we would like the children to be cool and comfortable during their performance. Therefore we would like them to wear something bright and colourful rather than their school uniform and tie. Please do not feel you need to go and buy anything specifically for the event.

Library Books

Please ensure your child returns any library books to school as soon as possible and on Tuesday 19th July 2022 at the latest. Thank You.

PE

On PE days your children should come to school wearing PE kit which is plain and does not feature logos or bright colours. On PE days children should not wear earrings.

	First Session	Second Session
EYFS	Monday	Thursday
1CL	Tuesday	Wednesday
1KR	Monday	Wednesday
Year 2	Monday	Friday
Year 3	Tuesday	Thursday
Year 4	Monday	Tuesday

Year 6	Wednesday	Friday

Dinner menu

Monday	Picnic lunch
Tuesday	Picnic lunch

Questions of the week:

	Prompt for learning question of the week
REC	What is the best thing you can do with a worry?
Year 1	How can you use your voice to show what a character is like?
Year 2	What is a balanced diet?
Year 3	What are lines of symmetry?
Year 4	What rules did your board game have and how do you play it?
Year 5	How can we keep ourselves safe online?
Year 6	What is your illustrated book about?

Visitors and Events in School:

Year 3 were very excited to be visited by an Olympian this week in school. Naomi Jenks who plays for the women's GB para ice hockey team as well as the Manchester Mayhem para ice hockey team. Naomi was able to tell us about the sport and how she got into it. She spent time answering lots of questions as well as showing us her ice hockey kit. The children were keen to find out more. Peterborough ice rink have a few free sessions called bum-in-bucket where children can go and try out the sport. Times and dates can be found on their webpage.

Year 4 and Year 6 enjoyed a concert in school organized by Scamp. Soloists Rebeka in Year 4 and Phoebe in Year 6 were pleased to have the opportunity to share the music they had been practicing with their classmates and parents.

Maths Competition:

Congratulations to Leila, Churto, Alberto and Vilte who took part in a Maths Competition at The King's School in Peterborough yesterday. The team did really well, and received many positive comments for their maths and for their cheerful, positive attitudes.

Upcoming Events

School close for the summer holidays at 1.30pm on Tuesday 19th July 2022
